GET MOTIVATED with rich multimedia content

In a unique collaboration between Pearson and the BBC, GoGetter motivates teenage learners of English with a wealth of entertaining and educational authentic video content.

Inspiring learning with high-quality videos

GoGetter presents three types of video for learners to enjoy. The 47 videos included with every level offer a range of genres, from natural spoken English, as well as develop students' knowledge of the English-speaking world.

- **Grammar and Communication videos** Entertaining soap-opera dramas present key language in grammar and communication lessons.
- **Real-life dialogues** provide natural and memorable language models.
- Each episode presents target language in an engaging and meaningful way.
- **Interactive cliffhanger endings** in the grammar videos encourage students to predict and think critically.

Get Cultural/BBC videos Amongst culture videos review and recycle the language and present the diversity of the English-speaking world. Excerpts of high-quality BBC footage introduced by a popular British presenter.

- **Authentic videos** adjusted to the learner's language level.
- **Engaging topics** spark imagination and curiosity.

- **Get Grammar! animations** Funny animated clips present the key structures taught in each grammar lesson.
- **New grammar structures** presented in a natural way.
- **Entertaining content** motivates students and holds their attention.
- **Content can be used multiple times:** to present, reinforce and review grammar structures.

GET 21st CENTURY SKILLS for the modern world

GoGetter doesn't just improve students' ability and confidence in English. It also develops the skills and knowledge they need to succeed in school and throughout life.

Encouraging communication, collaboration, critical thinking and creativity

- Plenty of **pairwork and groupwork** activities are integrated throughout each unit.
- Students work in teams in **Get Cultural project work**.
- **Problem solving and reasoning skills** are developed throughout, especially in reading and listening activities.
- Interactive cliffhanger endings in video stories encourage learners to **analyse and predict**.

Raising cultural awareness

- **Get Cultural lessons and exciting BBC videos** give students a wider perspective of global cultures, encouraging them to compare foreign cultures to their own.

Growing independence and taking initiative

- **Project work in Get Cultural lessons** requires learners to collect data and do independent research.
- Students are encouraged to **express their own views** on the topics presented.
- **Regular self-assessment** sections prompt students to take responsibility for their progress.

Developing digital literacy

- **Get Cultural project work** encourages students to create presentations, photo albums, leaflets and videos.
- Students can practise what they have learnt in a digital environment through the innovative **Extra Online Practice** and **MyEnglishLab**.

Content and Language Integrated Learning (CLIL)

GoGetter's Workbook and ActiveTeach both include four CLIL lessons per level to support students' broader education.

Each Get more on... section deals with a CLIL topic, such as music, science, sport or geography. Used together, the CLIL lessons provide a rich learning experience for subjects they will also be studying in their native language.

Exams The language skills and task types students will need to master for exams such as PET, and CVLET are embedded within each level of GoGetter.

- **EXAM SPOT:** exam-type exercises are clearly signposted.
- **SKILLS REVISION:** checks progress with exam-type tasks.
- **EXAM LANGUAGE BANK:** highlights key language from each unit.
- **EXAM PRACTICE:** special sections in the Workbook provide extra practice.
- **ASSESSMENT PACKAGE:** provides two exam-style tests for students.

GET READY for exam success

Exam preparation is embedded into GoGetter's core lessons and reinforced by GoGetter's effective methodology, engaging content, accessible resources and time-saving open-and-teach approach.

GSE

GoGetter has been developed using the **Global Scale of English** to give teachers a clear view of their learners' performance, support them in adapting lesson content, and choosing the right materials to motivate teenage students.

Course level	CEFR	GSE	PTE	CAMBRIDGE
GoGetter 1	A1/A1+	17-29	YLE Speaking	YLE Starters
GoGetter 2	A1/A2	27-36	YLE Listening	YLE Movers
GoGetter 3	A2/A2+	33-41	YLE Writing	YLE Flyers
GoGetter 4	A2+/B1	38-46	General level 1	Key for Schools

GET DIGITAL support

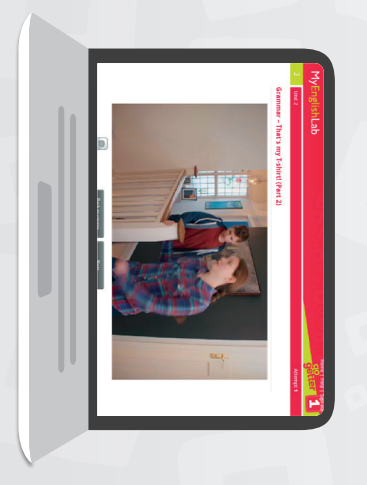

Students can benefit from carefully structured digital activities and course videos that provide further practice of the course content. Motivating and interactive, these online materials encourage students to engage with multimedia resources and take greater responsibility for their learning success. Students can access **Extra Online Practice** with the code printed in the Workbook.

MyEnglishLab This comprehensive and powerful digital solution features a wealth of tools for students and teachers to check understanding, practise language and track progress. Teachers can easily monitor students' progress and assign personalised learning goals and tasks. Likewise, students receive useful feedback on their performance, together with plenty of opportunities to develop and improve their language skills.

DVD-ROM Available with the Teacher's Book, the DVD-ROM includes class audio and video clips (with scripts), flashcards and extra teaching resources.

ActiveTeach A front-of-class presentation tool with everything teachers need on one disk or one USB.

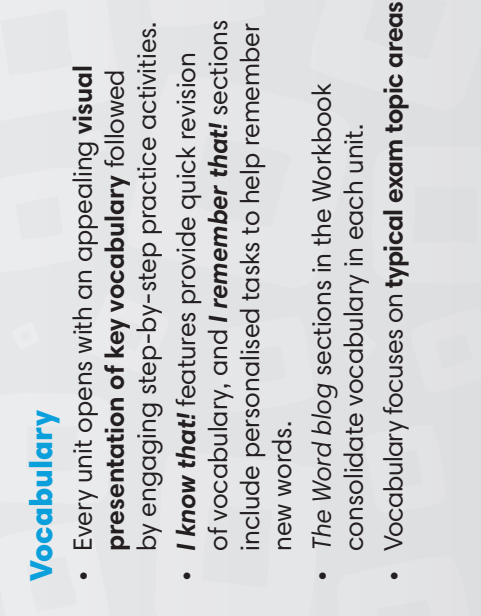

Culture Get Cultural lessons include fascinating material to help students broaden their knowledge of English-speaking countries. Each lesson is accompanied by inspiring culture video with authentic BBC footage.

GET TEACHING with gogetter

Teachers can feel confident in the classroom, supported by GoGetter's effective methodology, engaging content, accessible resources and time-saving open-and-teach approach.

Grammar The scaffolded, step-by-step approach builds grammar understanding gradually. Two dedicated grammar lessons in each unit with further practice in the Workbook. Grammar is clearly presented through student-friendly grammar boxes and engaging Get Grammar! animations.

Vocabulary Every unit opens with an appealing visual presentation of key vocabulary followed by engaging step-by-step practice activities. I know that features provide quick revision of vocabulary, and I remember that sections include personalised tasks to help remember new words. The Word blog sections in the Workbook consolidate vocabulary in each unit. Vocabulary focuses on typical exam topic areas.
