Getting help

Why can't Lucy and Ben read the book?

Lucy: Excuse me. Can you help us, please? **Mr Williams:** Yes, of course. What's the problem? **Ben:** We can't read this book. It's in code.

Mr Williams: Hmm. Let me think. It isn't easy. There are lots of clues in this book. But they're all in code. Very interesting! I like doing puzzles!

Mr Williams: This is difficult! Can I keep the book?

I can tell you tomorrow. **Lucy:** Keep the book?

Ben: No, sorry. We can't give it to you.

Mr Williams: OK then, sorry kids. I can't help you.

I've got to go.

Lucy: OK, thanks anyway.

Ben: What's going on? It's dark!

Lucy: Come on, Ben. We have to get out of here.

Ben: Someone wants our book!

Lucy: It's probably Horax and Zelda.

Ben: What? Here in the school? No way!

Lucy: We have to find a way to read this code.

Duzzes are great fun

All the girls and boys in Oliver's class like playing football but Oliver doesn't like football. Many of them love playing computer games but Oliver really doesn't like computer games. 'He's a bit silly!' a boy called Mike says.

At lunch Ms Sanders, their teacher, goes outside with her class. The children love that. Most of the children run around but Oliver prefers sitting under a tree. 'He likes thinking,' some children say. 'He's a bit silly!' Mike says.

One day, the children have a History lesson. Many of the children love History. They love listening to Ms Sanders' stories. Oliver finds listening to stories boring, he prefers numbers and dates.

Ms Sanders sees that Oliver is not listening and she stops her story. She goes to the board and writes a date on it: 10th August 1992.

'History is full of important dates.' Ms Sanders says. Oliver starts

to listen. 'And dates are important in our lives too.' Ms Sanders says. 'Look at this date. It's very important to me but maybe it's not important to you. What do you think it is, Oliver?'

The children are all very quiet now. They are looking at Ms Sanders, and they are looking at Oliver. 'It's a Monday!' Oliver says.

'Ha ha!' laugh the children in the class.

Ms Sanders tells them to be quiet. 'You're right, Oliver! It is a Monday and it's my birthday. How do you know it's a Monday?'

The children put their papers in front of Oliver.

'It is a Sunday!' Mike says. He looks at the next date.

'It is a Tuesday!' Mike says. And when he looks at the next date he says,

'It is a Monday!'

'Wow!' the children say. 'You're a computer, Oliver!' Oliver smiles. 'I'm not a computer!'

'Can you teach us how to do this?' Mike says.

'Mm. I've got an idea,' Oliver says. 'Let's start a puzzle club
